Sources and notes: PAAM pharmacy directory (US); GAPiD, pharmacy websites (Germany); AntroVista, pharmacy websites (NL); VAEPS, anthroposophie.ch, pharmacy websites (CH). No complete official pharmacy list exists in Germany, the Netherlands or Switzerland, so these are verified examples, not full coverage. In the Netherlands, most pharmacies carry anthroposophic remedies via WALA/Weleda rather than being dedicated. Confirm details before contacting.
